PREVENTING THEFT OF HORSE TACK

At the last meeting of the Crime Prevention Panel we were advised that a large number of stable and tack rooms have been broken into resulting in the theft of several thousand pounds worth of equipment.

Alan, Birch, Panel Chairman says:

“If anyone needs advice on horse crime prevention issues then please contact PC Andy Brown of Chasetown Police on 01785 238380. Andy will then arrange a visit and carry out coding of appropriate horse tack using a variety of methods”.
